Attn. Mr. Jeffrey Warbet,  
Senior Vice President.

Dear Mr. Warbet:

Firstly, I want to state that although we had a long and at times difficult negotiations period with the union, upon completion of same I always worked in good faith with the union and the benefit fund and always carried out all of my promises and obligations. As I promised in a verbal agreement, I paid to the benefit fund \$100,000.00 for a period of time, when my employees did not receive any benefits.

Pursuant to our meeting, I reviewed all of the auditor's papers and found numerous errors. To the best of my ability, I resolved those errors and explained them on the attached printouts:

- 1) According to my agreement with the union, all new employees undergo a probationary period. Many names on the auditor's papers were such employees. On my printouts I indicated these employees with a length of employment, which follows their names.
- 2) On the auditor's papers, you will find that same names repeat several times. I categorized these employees as independents and/or part-timers. I have a small group of people, which I hire for short periods of time to do a specific job (i.e. major shop cleaning, opening boxes and assorting new linen, etc.) I put these people on regular payroll while they are here so that in case anything happens, they would be covered by workmen's compensation and so that all of their taxes would be paid. I categorized these employees as independents. Moreover, I have part time employees, who primarily fill the positions of vacationing full time employees. I categorized these employees as part-timers.

3) Upon further inspection of auditor's papers, I found employee names for which all benefit fund payments were made. These employees I categorized as union members.

I apologize for putting so much work on your shoulders and I feel sorry for myself for getting so much work on my shoulders, but all this work was caused by the auditor's errors. I want to reiterate that as of the signing of the contract, I always tried to work with the union and the benefit fund; as promised, I did pay the \$100,000.00 to the benefit fund and we were always able to resolve all issues in a fair way. I rely on your knowledge and sense of fairness and look forward to a quick resolution of this issue. If you have any questions, please feel free to contact me at any time.

Sincerely,

Miron Markus,
